##### Read-a-thon Update

Flyers were given out to teachers Nov 4th and 5th. These flyers showed parents/students how to register online. Students were able to start collecting funds as soon as they registered. The reading starts Nov 15 and goes until the 29.

Corporate/Business donations: we are still looking for more to help with the cost of prizes for the students that hit the requirements. Unfortunately due to an issue with Read a thon we had to give back the donations we had received early as they were made in USD. SO we returned asking the donors to please donate again in CAD but none of them have since donated again so we are less \$950 for prizes.

Currently we have 71 students signed up (up from the 32 we had signed up this morning!)

\$ 1306 raised so far

- Discussion on how to get benefit of this fundraiser out to parents and teachers.

Will get quotes once we have the money to do so.
