1. Baptism - As long as one or both parents have been baptized and confirmed in the Catholic Church, and with both parents consenting, the child can receive baptism. Parents must go through the Baptism Preparation course. Dates for the course are located here: <http://www.saintvitalparish.com/sacraments/baptism/> Registration is ongoing and requires a copy of the child's birth certificate.

- Infant to age 3: Contact Jeanette at the parish office.
- Age 3 to age 6: Also Contact Jeanette at the parish office, however we can offer a special one hour class for the children. It is a fun interactive class that gets them excited about getting baptized. This class is offered once we have children to attend it.

- Age 7 to age 15 and up: Once your child has reached the age of 7 the parish offers classes of formation for them. They will now be enrolled in the "RCIA adapted for Children" program. It's a weekly catechism class held on Wednesdays starting October 3rd. More information is found here: <http://www.saintvitalparish.com/sacraments/want-to-become-catholic-rcia/>

2. First Reconciliation and First Communion - Both sacraments are being offered in the same year. However, if your child has one of these two and not the other, we can also accommodate. Parents must attend the "Parent information session" on October 9th OR October 23rd. This evening is essential that all parents be in attendance. Please contact Michelle immediately if it is missed. Important dates and ONLINE registration are found here: <http://www.saintvitalparish.com/sacraments/reconciliation-first-communion/> Registration will remain open until November 1st and requires a copy of your child's baptismal certificate (please bring to parent session). For those who register over the summer, you will receive confirmation of registration in September.

- Grade 2: Once your child has reached Grade 2, formation for these sacraments start immediately. Please check the website for more information.
- Grade 3 to Age 15: Even if your child missed receiving both sacraments in Grade 2, it's not too late. They can still be enrolled in the program. Once they are older than 15 years, they must go through the RCIA program.

3. Confirmation - This is a very important sacrament but unfortunately sometimes forgotten. Your child will be sealed with the Holy Spirit and with that the Holy Spirit gives us gifts, gifts that will strengthen us and give us the ability to do amazing things. Parents must attend the "Parent information/registration session" in November. This evening is essential that all parents be in attendance. Please contact Michelle immediately if it is missed. Important dates and SOME of the registration forms are found here: <http://www.saintvitalparish.com/sacraments/confirmation/>

- Grade 6: Once your child has reached Grade 6, formation for confirmation starts in December. Please check the website for more information.

- Grade 7 to age 15: If your child missed out on Confirmation in Grade 6, it not too late. However, once they are older than 15 years, they must go through the RCIA program.
