June Exam Schedule

Please click the [link](#) below to check our June exam schedule. Students in grade 7-9 will have exam week starting on June 24th, 2019. Permission forms to study off campus are attached to this newsletter and available at the office. EMDYS will also provide supervised work spaces and access to teachers for support during exam week.

Muffins with Mom Thank You's

Thanks to everyone that came out to our first annual Muffins With Moms held in our flex space before school on May 31st. We enjoyed seeing everyone come out and we are excited to have the **Dads on June 7th for Doughnuts with Dads** at 8:00am.

Supply Orders for 2019-2020

Want an early start on supplies for next year? Want to avoid the August crowds and get them delivered to your door? EMDYS uses School Start for all our supply needs. Order in May/June for entry into \$1000 draw.

"We are people of the Way" "Learn the Way"

Dear EMDYS Parents and Guardians,

As we prepare to complete the 2018-2019 school year, students and teachers are busily preparing to complete courses, practicing problems, and preparing to "show what we know" during our final exam week.

Our last day of regularly scheduled classes for grade 7-9 is **Friday, June 21st**. Exam week starts Monday, June 24th until Wednesday, June 26th. The final day for students is Thursday, June 27th.

During exam week, students can arrive at the regular bell time with doors opening at 8:30am. Exams will be written in assigned classrooms. Following exams, teachers will be available for additional instruction, tutorials, and any questions students may have. Student supervised work spaces will be provided in both the learning commons and the flex space throughout the school day. Students are asked to have a respectful, learning behaviour as they prepare for exams in these spaces.

Students in grades 7-9 wishing to go home to study after they have written their exams must be excused by parents or guardians by signing and returning the attached form. We encourage students to make proper choices during exam week to create successful exam writing opportunities of their four core subjects. Buses will arrive at the regular time after school.

Please send back a signed copy of the permission form if you wish to allow your son/daughter to study at home following the conclusion of an exam.

Sincerely,

Jordan Robinson
Principal
EMDYS
