Friday, September 3rd RE: Grade 5 - 9 Lunch Break

Dear Parents,

In the interest of student safety, École Mother D'Youville School has a "Closed Campus" policy for the 2021-2022 school year. This means that during lunch break, Mother D'Youville students must remain on the school property for the entire lunch break. Our goal is to maximize student safety and provide the opportunity for students to enjoy supervised activity during the noon hour.

Notwithstanding the policy above, we realize that some of our students who live close to the school may choose to take their lunch break at their place of residence. We are in support of this at the school provided that the students have parental permission and with the condition that other students not accompany them home during the lunch break. If it is your desire to grant permission for your son or daughter to leave school grounds to go home for lunch, please complete the attached form and sign in the required spaces. Have your child return the form to the main office. Students who have returned the signed form are always welcome to remain at the school for lunch. Provided that students have returned this permission form, when leaving school grounds, students must sign-out from the main office and sign-in when they return .

Please inform the school if, for any reason, you no longer permit your child the privilege of leaving school property during lunch break. If you have any questions, please feel free to contact the school at 780-929-0792.

Sincerely,

Jordan Robinson
Principal
