

Grade 5/6 Extracurricular Sports for 2021-22

Ecole Mother d' Youville School is pleased to offer developmental and competitive Grade 5/6 Sports programs. In addition to our fabulous Physical Education program, we wish to offer extracurricular development in a variety of sports. If interest is high and numbers exceed what is manageable, grade 6 students will be given priority to participate. Tryouts may take place if the numbers are high. The extracurricular programs will be focused on developing skills, fair play, sportsmanship, and teamwork; while participating in a competitive environment. There will be fees to participate in these programs; to help pay for bussing, uniforms, equipment and tournament fees.

Students will be required to purchase a jersey for the different sport seasons. The **Same Jerseys** will be used for **All of the Elementary Sports** and are \$20 to purchase on *School Cash Online*.

The following extra-curricular sports programs will be offered this year:
