Dear Parents and Guardians,

In alignment with our Safe and Caring mandate, we ask that the following guidelines are respected in regards to Halloween costumes:

- 1. Avoid Hidden Identities: 'No person is allowed to disguise their identity in any fashion on school property without prior permission of school staff.' To ensure the safety of all, please carry masks and only wear them during our Halloween Parade portion of the day.
- 2. Avoid Offensive or Disturbing Costumes: Costumes that are viewed as offensive, indecent, or disturbing by school administration will be removed. Weapons, plastic or otherwise, of any kind are not permitted at school. Homeroom teachers are to ask if they are unsure about a student's costume. Failure to comply may result in further disciplinary action.
- 3. All costumes must meet our dress code found in our student handbook. Students will be asked to change if costumes fail to follow our guidelines.

School administration reserves the right to make any required judgments in the above areas and all attire.

I appreciate your support in keeping our students safe and cared for. Student council has prepared a variety of activities for students to enjoy throughout the week. If you have questions, please feel free to contact your homeroom teacher.

Sincerely,

Principal

Jordan Robinson
