Our students here at (School's Name) are participating in a Well-A-Thon, a fundraiser to bring programs, services and supplies to our school to support a healthy learning environment.

Students will be collecting donations from now until the event day on (Event Date) when we will celebrate our collective efforts with wellness activities selected by the students.

We are writing to kindly ask if you would support our (Class/School) fundraising efforts and make a donation!

This fundraiser is a partnership with Ever Active Schools (www.everactive.org), a national charity that invests in healthy futures for all children through upstream approaches to well-being and education. From this partnership, we gain access to classroom resources to use with your children, professional development for our staff, workshops for the students and funding for a student-led wellness initiative.

Donations can be made here: <https://www.canadahelps.org/en/charities/active-healthy-kids-canada/p2p/well-a-thon2024> or by scanning the QR code included below. Any donation over \$3 will be issued a tax receipt.

We are excited about the opportunities this fundraiser brings to our school community!

Thank you for your support,
